

# GIVING BACK WITH BHANI

MAKE IMPACT WITH EVERY  
INTRODUCTION

## Why This Exists

We believe in purposeful growth. If you refer a qualified opportunity to Bhani, and we engage in paid work, we will donate 10% of our first-year revenue from that engagement to a charity of your choice (from our approved list).

## How It Works

You share a warm intro to a business, council, or NFP you believe we can help.

If we're engaged, we make a 10% donation from Year 1 revenue.

You choose the impact — we'll send the donation directly to your nominated charity.
